## 2006 Gold Medal Clubs

The following USA Wrestling Sanctioned Clubs have met the standards to be honored as "Gold Medal Clubs" for the 2005-2006 Season. All USAW Clubs will receive an application with the requirements in the Club Packet when they are sanctioned this year.

This year's Gold Medals total is 12 clubs. Clubs are required to submit an application marking the improvement in membership numbers, participation in Events and State Programs and participation by club members in USAW's Coaches Education Program and the United States Wrestling Officials Association.

It is indeed an honor to be one of the twelve out of 3100 USA Wrestling Sanctioned Clubs to be selected for membership as a Gold Medal Club.
